

SOUTHWEST FLORIDA CHILDREN'S MUSIC OUTREACH

SCHOOL
OF ROCK
FORT MYERS

Music is an art form that every child should be able to benefit from. Music education brings creativity, discipline, resilience and self-worth to a child. Unfortunately, not every kid that wants to play music gets the chance to do so because of lack of financial resources, or music programs being cut from school curriculums for lack of funding. Lew Tabarrini wasn't a musician, but he loved and supported music! He believed that all kids should have the benefit of music lessons, and that children that had musical instruments in their hands were less likely to get into trouble. In 2010, the Lewis P. Tabarrini Children's Music Outreach Foundation was founded on Lew's philosophy of kids and music, but also for his love for it as well. The Tabarrini Foundation aims to enrich and transform the lives of deserving children in Southwest Florida, by nurturing them in the joy of making music through group and private guitar lessons.

YOUR SPONSORSHIP CAN HELP CHANGE THE LIVES OF SOUTHWEST FLORIDA CHILDREN!

We believe that excellence in music translates to excellence in other areas of life. In the 2021-22 school year the Tabarrini Foundation music programs have served 15 children in Southwest Florida!

THAT'S OVER 150 HOURS OF MUSIC EDUCATION!

YOUR SUPPORT POSITIVELY IMPACTS SOUTHWEST FLORIDA KIDS WHO WANT TO PLAY MUSIC BUT DO NOT HAVE THE MEANS TO DO SO!

My name is Danny Parkinson. I was an elementary school student 7 years ago when I started receiving group lessons and my scholarship from the Tabarrini Foundation, and today remain a spokesperson for the Foundation as well. I am now 16 years old. The guitar lessons I received gave me insight on the natural talent I had, how much there was to learn about music, and thanks to the Foundation, was given the tools I needed to further my music knowledge and ability.

2022 The Tabarrini Foundation partnership with School of Rock Fort Myers!

Our current group of kids are lucky enough to have their group guitar lessons at the state-of-the-art and super cool School of Rock facility! We are so grateful for the opportunity to work with School of Rock.
SO ARE OUR KIDS!

I have since been able to go out and play guitar at restaurants and other venues, but have devoted most of my time and talent to playing with the worship team at my church. I continue to be involved with the Tabarrini Foundation because I know the significance that music can have on the lives of children, as it positively affected my life. Also, the Tabarrini Foundation is actively working on expanding into Lee County Schools with more music education and music lessons, something that I know is definitely lacking. I am looking forward to being a part of it.
