*This program is designed to give all children the opportunity to play music and is free for those students that are accepted into the program. It is, however, the responsibility of the parent/guardian to transport students to and from their classes. Every student in class requiring an instrument will be issued a loaner from the Tabarrini Foundation at the start of their program. The student is responsible for the care of the instrument. After completing 16 weeks of group classes, the student will either turn in their loaner instrument or retain it if he/she enrolls in the next 8 week session. Should the student not remain enrolled in classes, they will be required to return the loaner instrument to the Foundation. Students and classes will be filmed and photographed and participants may be featured on our website and public media as well. **Children and/or parents/guardians are also asked to volunteer at our events.***

**This application is for enrollment in the Lewis P. Tabarrini Children's Music Outreach Program.  
Group music lessons are located at School of Rock, 6900 Daniels Pkwy., C-15, Ft Myers, FL 33912.**
